

**Notice: Withdrawing Napoleon Ave
Marine Terminal Port Modernization Fee**

Dear Valued Customers,

Over the past several months, Ports America Louisiana, L.L.C. has made significant progress with the Port of New Orleans regarding the modernization of our terminal. Our focus has been ensuring that our Napoleon Ave Marine Terminal upgrades will meet the demands of our ever evolving industry.

Recent developments have negated the need to apply a fee that was initially communicated on March 30, 2021. Therefore, Ports America Louisiana, L.L.C. is withdrawing the Terminal Modernization Fee.

Thank you for your continued support.
Ports America
